Description :

PDF-9e8b3 | In 1868 American explorer Charles Francis Hall interviewed several Inuit hunters who spoke of strangers travelling through their land. Hall immediately jumped to the conclusion that the hunters were talking about survivors of the Franklin expedition and set off for the Melville Peninsula, the location of many of the sightings, to collect further stories and evidence to support his supposition. His... *10: Strangers Among Us (McGill-Queen's Native and Northern Series)*
