Description :

PDF-f08f5 | The events and decisions that culminated in the Battle of the Barents Sea—what many consider to be the most important naval engagement of World War II's European theatre—in which eight of the German navy's most powerful ships failed to sink a Russian convoy guarded by only four small British destroyers, are brought to life by the author in this tale of men struggling to carry out their orders ... *73 North: The Battle of the Barents Sea*
