Description :

PDF-fa43d | English is the collective work of millions of people throughout the ages. It is democratic, ever-changing and ingenious in its assimilation of other cultures. English runs through the heart of world finance, medicine and the Internet, and it is understood by around two thousand million people across the world. Yet it was very nearly wiped out in its early years. In this book Melvyn Bragg shows us ... *The Adventure of English 500 AD-2000*
