Description :

PDF-e91f6 | An Alien in Antarctica is an eminent polar scientist's account of six expeditions to the "frozen continent" while working with the US Antarctic Program. The book combines first-person narrative and outstanding photography to record the events, the feelings, the results, and the memories of conducting research in one of Earth's most remote and hostile environments. This book is not just about scien... *An Alien in Antarctica: Reflections upon Forty Years of Exploration and Research on the Frozen Continent*
