Description :

PDF-569ac | American Horizons, Third Edition, presents the traditional narrative of U.S. history in a global context. The authors use the frequent movement of people, goods, and ideas into, out of, and within America's borders as a framework. This unique approach provides a fully integrated global perspective that seamlessly contextualizes American events within the wider world. The authors, all acclaimed sch... *1: American Horizons: U.S. History in a Global Context, Volume I*
