Description :

PDF-0497a | Though immortalized by Samuel Coleridge's "The Rime of the Ancient Mariner," few people know that eighteenth-century British adventurer Samuel Hearne became the first European to see the Arctic Ocean while standing on America's northernmost shore. In *Ancient Mariner*, McGoogan demonstrates that Hearne was far more complex, accomplished, and influential than history has shown. A Royal Navy m... *Ancient Mariner: The Arctic Adventures of Samuel Hearne, the Sailor Who Inspired Coleridge's Masterpiece*
