ISBN : #029598015X | Date : 2000-12-01

Description :

PDF-7fae1 | This book of photographs is the result of almost forty years of traveling through the High Arctic by the author, including his trip through the long sought but rarely taken Northwest Passage from Nome Alaska to New York, (partially in a native-styled skin boat). While primarily composed of land and seascapes, there are some photos of communities and individuals that Bockstoe (an Arctic historian ... *Arctic Discoveries: Images from Voyages of Four Decades in the North*
