Description :

PDF-b21a1 | For at least two millennia before the advent of the Spaniards in 1519, there was a flourishing civilization in central Mexico. During that long span of time a cultural evolution took place which saw a high development of the arts and literature, the formulation of complex religious doctrines, systems of education, and diverse political and social organization. The rich documentation concerning these... *Aztec Thought and Culture: A Study of the Ancient Nahuatl Mind (The Civilization of the American Indian Series)*
