Description :

PDF-47ed4 | Richie covers the so what of blockchain as opposed to the crowded area of the what of blockchain. Every large paradigm in the history of the human species thus far narrowed or completely closed some large gap; blockchain will narrow or completely close a large gap as well. The printing press closed the knowledge gap, the steam engine closed the power gap, and the Internet is closing the distance g... *Blockchain: Trust Companies: Every Company Is at Risk of Being Disrupted by a Trusted Version of Itself*
