Description :

PDF-35a0a | Rowley documents an era of arctic exploration of which little has been written and which is fast passing from living memory. He captures the traditional way of life in the North before the dramatic changes of the last half century. A member of the last expedition in the Canadian North to depend on traditional techniques, Rowley recounts how they lived as the Inuit did and travelled by dogsled over... *Cold Comfort: My Love Affair with the Arctic (McGill-Queen's Native and Northern Series)*
