Description :

PDF-42a79 | Today many believe that American journalism is in crisis, with traditional sources of news under siege from a failing business model, a resurgence of partisanship, and a growing expectation that all information ought to be free. In *Covering America*, Christopher B. Daly places the current crisis within a much broader historical context, showing how it is only the latest in a series of transitions t... *Covering America: A Narrative History of a Nation's Journalism*
