Description :

PDF-73d44 | In 1930, charismatic Gino Watkins led a group of fourteen men (including the author's father) to the Arctic. It was the dawn of commercial air travel, and their goal was to discover an air route between Europe and America. The explorers were courageous and physically strong, but they were unprepared for the hostile conditions they would face over the next year. Learning from their Inuit guides, t... *Dancing on Ice: A Stirring Tale of Adventure, Risk and Reckless Folly*
