Description :

PDF-b2ca9 | Rock and roll music evolved in the United States during the late 1940s and 1950s, as a combination of African American blues, country, pop, and gospel music produced a new musical genre. Even as it captured the ears of the nation, rock and roll was the subject of controversy and contention. The music intertwined with the social, political, and economic changes reshaping America and contributed to... *The Emergence of Rock and Roll: Music and the Rise of American Youth Culture (Critical Moments in American History)*
