Description :

PDF-1a0e6 | In 1897 three men disappeared in the North Pole—only now have their final hours been revealed with this award-winning forensic investigation of a 120-year-old mystery On July 11th, 1897, three men set out in a hydrogen balloon bound for the North Pole. Led by engineer August Soloman Andrée, they want to make history, but are frighteningly underprepared. Three days into their journey they make a... *The Expedition*
