Description :

PDF-9f5de | The Brooks Range, one of the most remote and least-disturbed wildernesses of North America, is immense and inaccessible enough to earn a nearly mythic reputation. Dennis Witmer's splendid volume, *Far to the North: Photographs from the Brooks Range* explores the limits of the tree line that juts through the southern edge of the range, revealing northern peaks and valleys bare of vegetation and glo... *Far to the North: Photographs from the Brooks Range*
