Description :

PDF-543cc | The great philosopher's major work on ethics, along with Ecce Homo, Nietzsche's remarkable review of his life and works. On the Genealogy of Morals (1887) shows him using philosophy, psychology, and classical philology in an effort to give new direction to an ancient discipline. The work consists of three essays. The first contrasts master morality and slave morality and indicates how the term "goo..." *On the Genealogy of Morals and Ecce Homo*
