Description :

PDF-bad64 | The Karluk set out in 1913 in search of an undiscovered continent, with the largest scientific staff ever sent into the Arctic. Soon after, winter had begun, they were blown off course by polar storms, the ship became imprisoned in ice, and the expedition was abandoned by its leader. Hundreds of miles from civilization, the castaways had no choice but to find solid ground as they struggled against... *The Ice Master: The Doomed 1913 Voyage of the Karluk*
