Description :

PDF-423f4 | A century before Columbus arrived in America, two brothers from Venice are said to have explored parts of the New World. They became legends during the Renaissance, and then the source of a great scandal that would discredit their story. Today, they have been largely forgotten. In this very original work—part history, part travelogue—Andrea di Robilant chronicles his discovery of a travel nar... *Irresistible North: From Venice to Greenland on the Trail of the Zen Brothers*
