ISBN : #0815610041 | Date : 2012-09-15

Description :

PDF-a4da4 | Blending meteorological history with the history of scientific cartography, Monmonier charts the phenomenon of lake-effect snow and explores the societal impacts of extreme weather. Along the way, he introduces readers to natural philosophers who gradually identified this distinctive weather pattern, to tales of communities adapting to notoriously disruptive storms, and to some of the snowiest reg... *Lake Effect: Tales of Large Lakes, Arctic Winds, and Recurrent Snows*
