Description :

PDF-83329 | This story begins with Dr. Weihaupt's explorations in the deep unexplored interior of Antarctica and the questions they inspired. Today we have a good understanding of the nature of our planet and its human history, yet there are inevitably more questions about who and what we are than there are answers. We know so little about our human past. When we get them, the answers are astonishing. The I... *Of Maps and Men: The Mysterious Discovery of Antarctica*
