Description :

PDF-acd56 | There is little documented mapping of conflict prior to the Renaissance period, but, from the 17th century onward, military commanders and strategists began to document the wars in which they were involved and, later, to use mapping to actually plan the progress of a conflict. Using contemporary maps, this sumptuous new volume covers the history of the mapping of land wars, and shows the way in wh... *Maps of War: Mapping conflict through the centuries*
