Description :

PDF-7907b | Capitalism has never been a subject for economists alone. Philosophers, politicians, poets and social scientists have debated the cultural, moral, and political effects of capitalism for centuries, and their claims have been many and diverse. *The Mind and the Market* is a remarkable history of how the idea of capitalism has developed in Western thought. Ranging across an ideological spectrum that i... *The Mind and the Market: Capitalism in Western Thought*
