Description :

PDF-8a6f6 | The subzero temperatures were only one of the dangers explorer Frederick Cook (1865-1940) faced in his attempts to reach the North Pole. During his extraordinary and harrowing journey, he fought off arctic wolves and polar bears, lived through ice storms, almost starved on several occasions, and faced long and lonely hours of isolation. His book relates how he learned from Eskimos how to survive i... *My Attainment of the Pole*
