Description :

PDF-13136 | Stories from outposts of the Southern Ocean, the windiest, roughest, most isolated and most important ocean on the planet. Venture to the deep south and you will experience a world like no other – forbidding subantarctic islands, astounding sea creatures, death-defying plants, the constant company of birds and, if you travel far enough, the towering ice cliffs and dead valleys of Antarctica. Few... *Ocean Notorious: Journeys to Lost and Lonely Places of the Deep South*
