Description :

PDF-aad13 | In Race in North America, Audrey Smedley shows that “race” is a cultural invention that has been used variously and opportunistically since the eighteenth century. Race, in its origin, was not a product of science but of a folk ideology reflecting a new form of social stratification and a rationalization for inequality among the peoples of North America. New coauthor Brian Smedley joins Audrey ... *Race in North America: Origin and Evolution of a Worldview*
