Description :

PDF-8e4fa | Sir John Franklin's Arctic expedition departed England in 1845 with two Royal Navy bomb vessels, 129 men and three years' worth of provisions. None were seen again until nearly a decade later, when their bleached bones, broken instruments, books, papers and personal effects began to be recovered on Canada's King William Island. These relics have since had a life of their own--photographed, analyze... *Relics of the Franklin Expedition: Discovering Artifacts from the Doomed Arctic Voyage of 1845*
