Description :

PDF-466d1 | Well into the nineteenth century, Arctic explorers believed that they needed only to smash their ships through a ring of ice encircling the top of the globe, and from there they could tack easily on soft breezes to the North Pole. Acting on this belief, these adventurers were crushed by ice, wasted by scurvy, and frozen to death on the ice floes. This European notion of the Arctic as a ring of ice... *Ring of Ice: True Tales of Adventure, Exploration, and Arctic Life*
