Description :

PDF-0c618 | Although common wisdom and much scholarship assume that "big government" gained its foothold in the United States under the auspices of the New Deal during the Great Depression, in fact it was the Second World War that accomplished this feat. Indeed, as the federal government mobilized for war it grew tenfold, quickly dwarfing the New Deal's welfare programs. Warfare State shows how the federal gov... *Warfare State: World War II Americans and the Age of Big Government*
